Industrial Packing Partner!

Our Promise

We are dedicated to ensuring the safe and cost-effective movement, protection, and presentation of your valuable products, both domestically and internationally. Your success is our success, and we take this commitment seriously.

About Us

Innovation Line Ind LLC, your trusted destination for world-class industrial packing and lashing solutions. At Innovation Line, we are more than just an industrial packaging company. We are a dedicated team of professionals driven by a passion for excellence and a commitment to providing superior packaging solutions. With a rich history and a vision for the future, we have become a trusted partner for businesses across industries. We are your go-to hub for all your industrial and marine operations needs in the UAE and across the Middle East.

Why Choose Us

At Innovation Line Ind LLC, we specialize in delivering excellence through our premium products and services. Our commitment revolves around providing you with top-tier wooden & plastic pallets and planks, all at incredibly affordable prices. We understand that quality and affordability should go hand in hand, and that's precisely what we offer.

Our Team

Behind every successful project at Innovation line, is a dedicated and skilled team of professionals. Our experts bring years of experience, technical know-how, and a commitment to quality to every job. We invest in continuous training and development to ensure our team is equipped with the latest industry knowledge and technology in packing and lashing solutions.

Our Quality policy

Our main objective is to provide total customer satisfaction. To achieve this, we base our organization on a fundamental premise: We provide solutions rather than simple services, always fulfilling information quality and tracking standards in all our customers' operations.

Our Reputation

Innovation Line Ind LLC has earned a stellar reputation for excellence. We take immense pride in our exceptional team, comprised of experts with deep industry knowledge. Your needs are our priority, which is why our services are available 24x7.
